#### **Course Description**

ICS-400 is intended to serve as a vehicle to share proven incident management strategies and practices. The goal of the class is to enhance teamwork and coordination among all response agencies' officers. It particularly focuses upon those directly responsible for emergency response to a WMD/terrorism incident or other "Incident of National Significance". The course is specifically intended for those emergency response personnel who have duties that require that they be directly involved in incident management or command at either a "field" Incident Command Post (ICP) or in a City, County, or regional Emergency Operations Center (EOC).

#### **Student Criteria**

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel or other organization having responsibility for incident management. **The prerequisite is ICS-300. A copy of this course completion certificate must be provided before beginning of class. You may email it to the POC listed below.**

#### **Special Notes**
