

# **AFRCC Basic Inland SAR Course (BISC) - Sponsored by Hart County Emergency Management**

Wednesday, January 20, 2027 at 8:00am - Friday, January 22, 2027 at 3:00pm CST

Hart County Library

500 E Union St  
Munfordville, KY 42765

[500 E Union St Munfordville, KY 42765](#)

The BISC was developed to bring “SAR from a Federal perspective” to the men and women of local, state and federal agencies within the United States. The course is administered by the Air Force Rescue Coordination Center. Topics include AFRCC Overview, Resources & Mission Types, SAR Tools, Distress Beacons, Mission Operations (to include family/media), an introduction to Search Theory and Lost Person Behavior. We are excited to say this course also provides 3 credit hours toward continuing education credit.
